COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 136, *dated 1st October* 1928.

To—All Treasury Officers and Presidents of District Boards including Kolar Gold Fields Sanitary Board.

It has been brought to the notice of the undersigned that the transactions of Taluk Treasuries on account of District Funds are recorded by some of the District Treasuries *in lump* in the District Board Pass books. The District Boards are not also calling for details for such *lump credits* but classify them as miscellaneous revenue. The procedure adopted is not correct and should be discontinued.

2. All transactions should be shown in the Pass Book in *detail, i.e.*, each item of receipt and payment (both in the District and Taluk Treasury Accounts) should be shown separately (*Vide* Art. 254 M. C. A. C. Vol. I). If any of the items entered in the Pass Book could not be traced in the District Board Accounts, the District Board should call for details and incorporate them in its accounts under the Approximate heads.

3. This circular does not apply to cesses, etc., remitted to the treasuries by the Revenue Department to the credit of District Funds. In such cases, it is sufficient if the total amount of each kind of cess for each class of Revenue is entered separately in the Pass Book.

S. SHAMANNA,
Comptroller
